It's also on the bulletins page. Thanks so much! As upset as a few were at the meeting I don't want them to think we come back to Austin and forgot what we said.

I appreciate your help on this.

Tina

Valmichael,

Who do I need to contact in order to have something changed on your SJRWP site update webpage? Near the top of the page it has the following paragraph:

UPDATE:
Texas Department of State Health Services (DSHS) and the Agency for Toxic Substances and Disease Registry has released the San Jacinto River Waste Pits Public Health Assessment - Public Comment Draft. The public comment period will be from April 7, 2011 through May 31, 2011.

After attended the last community meeting the health department was asked to extend the public health assessments public comment period. So we need to have the May 31, 2011 date changed to June 30, 2011.

Please let me know who I need to speak with or what I need to do to get this changed.

Thanks

Tina
